Areas of interest

Web Development, Illustration, Software Development

Professional goal

To create things which have a positive impact on society and the industry as a whole.

Experience

GGD Bandas S.A. de C.V. / Internship

JUNE 2015 - AUGUST 2015, TLALNEPANTLA

Prepare the documents of a bankrupt subsidiary. It helped me refine my Office skills and social abilities on a professional setting.

JUNE 2017 - AUGUST 2017, TLALNEPANTLA

Recovered physical records of clients and created the system used to physically store them. I learnt about the importance of documentation and record keeping.

Education

Instituto Tecnológico de Monterrey / B.S. Computer Science

AUGUST 2018 - PRESENT DAY, LAGO DE GUADALUPE

Instituto Bilingüe Rudyard Kipling / International Baccalaureate

AUGUSTO 2016 - JUNE 2018, NAUCALPAN DE JUÁREZ
